Session 10: About Beliefs and Non-Judgment

Entity: Seven One

Summary of the contents: (Please indicate the time for any changes of topic or important information.)

Connection established with entity very early on. Minute 4.

6:00 Conversation about beliefs starts, with emphasis on childhood.

Question from monitor about beliefs of people on the New Land at about 16:30 triggers long conversation about non judgment.

38:00 Entity says that the Explorer is felling heaviness and pressure, making communication difficult. The difficulty is obvious from the change in the voice, really struggling. There is no harm to the Explorer though, according to them.

45:00 Discussion about the different energies communicating through the Explorer.

50:00 The entities say they must leave.

52:00 End of session and debrief.

Very interesting discussion.
